# ELMORE LIABILITY INSURANCE

Elmore's Commercial Liability offering can help businesses obtain competitive insurance coverage, terms, and pricing for commercial liability risks.

With coverage capacity provided by the strength of Lloyds of London — S&P A+ rated capacity Elmore is well placed to deliver commercial Liability risk solutions.

We believe that a 'one size fits all' approach to Risk Transfer doesn't deliver a level of adequate coverage to our clients, and an alternative approach truly considering our clients' realities may deliver better protection for organisations of all sizes.

## ELMORE LIABILITY OFFERING

Forward thinking perspective, dedicated to delivery, committed to claims:

## COVERED BY EXISTING INSURANCE ARRANGEMENTS?

Commercial Liability Insurance is an important part of a comprehensive insurance programme. It is likely existing insurance arrangements will have elements of Commercial Liability cover but may not provide coverage against all the different scenarios in which a serious Claim event can impact a business. Contact Elmore to undertake a gap analysis of your existing cover to see how you are covered.
